# Venkata Karthik Lingineni

linginenivenkatakarthik@gmail.com / +919182338771 / Tenali, Andhra pradesh

## Summary

I am eager to embrace challenges and wholeheartedly strive to achieve them, as this fosters my learning process and enhances my professional growth. With unwavering dedication and a strong sense of team spirit, I am committed to contributing to the success and progress of the organization.

## Skills

python, C/C++, CSS, SQL, HTML

## Internships

**Web development Raise Digital-Remote**

- Acquired hands-on experience in applying coding languages like HTML, CSS, and JavaScript to create functional and visually appealing websites.
- Developed strong collaboration and teamwork skills by working closely with experienced professionals, effectively communicating ideas and leveraging diverse skill sets.
- Enhanced problem-solving abilities through troubleshooting and debugging code, fostering resilience and a proactive approach to overcoming technical challenges.

**Python Fullstack Developer Intern APSSDC – Remote.**

• I learnt many things related to Full Stack Web Development

• Passionate about learning and committed to continual improvement.

• Gained extensive knowledge in Designing, Developing, Deploying and Maintaining Websites

## Education

### Computer Science And Engineering

Chebrolu engineering college • Guntur, Andhra pradesh
06/2023

- Graduated with a 6.93 CGPA, showcasing academic excellence and dedication to learning.
- Built a solid foundation in computer science and engineering through rigorous coursework and practical projects.
- Demonstrated expertise in programming languages like Python, C, and more.
- Applied critical thinking and problem-solving skills to troubleshoot and debug software systems.
- Successfully collaborated with team members on complex projects, effectively communicating ideas for achieving successful outcomes
-

### Mathematics Physics Chemistry(MPC)

Sri Vivekananda Central School • Tenali, Andhra Pradesh
05/2019

- Attained a 63.9% aggregate in Plus Two while specializing in Mathematics, Physics, and Chemistry.

- Demonstrated proficiency in these subjects through consistent academic excellence.
- Applied problem-solving skills to challenging coursework, resulting in a strong understanding of concepts and principles.

### State Board Of Secondary Education

Viveka high school • Tenali, Andhra Pradesh
06/2017

- Achieved an impressive 9.2 CGPA upon completion of SSE.
- Demonstrated exceptional academic performance throughout 10th grade.
- Displayed a strong work ethic and commitment to success in all subjects.
- Utilized effective studying strategies to excel in coursework and exams.
- Participated actively in class discussions and contributed to a positive learning environment.

---

## Project

**Fruits and vegetable calorie prediction using machine learning**

- Developed a Machine Learning Algorithm which identifies the calories of a fruit or vegetable from the image.
- we analysed shape ,color and machine learning algorithms to predict calories of fruits and vegetables
- Technical Skills: Python(Numpy, pandas, matplotlib, seaborn etc.,)and ML algorithms

---

## Hobbies

- Listening to music
- playing games
- watching movies
- photography and editing
- upgrading my skills

---

## Strengths

- Hard working
- self motivated
- commitment towards work
- Responsible
- Adaptable

---

## Languages

English, Hindi, Telugu
